Mr Maurizio Moroni  
Strada Provinciale 124  
Reggio Emilia

Dear Mr Maurizio Moroni,

Our **BEST PRICE OFFER** includes today:

**Long Distance Glider**

With this paper rocket you can send all your messages even when sitting in a hall or in the cinema pretty near the back.

**Giant Wing**

An unbelievable sailplane! It is amazingly robust and can even do aerobatics. But it is best suited to gliding.

**Cone Head Rocket**

This paper arrow can be thrown with big swing. We launched it from the roof of a hotel. It stayed in the air a long time and covered a considerable distance.

**Super Dart**

The super dart can fly giant loops with a radius of 4 or 5 meters and cover very long distances. Its heavy cone point is slightly bowed upwards to get the lift required for loops.

Visit us on our Web site at [www.kraxi.com](http://www.kraxi.com)!

Yours sincerely,  
Victor Kraxi
