### The famous rocket looper

To fold the famous rocket looper proceed as follows:

Take a DIN A4 sheet. Fold it lengthwise in the middle. Then, fold the upper corners down.

Fold the long sides inwards that the points A and B meet on the central fold. Fold the points C and D that the upper corners meet with the central fold as well. Fold the plane in the middle. Fold the wings down that they close with the lower border of the plane.
